Dear Sir or Madam:

The Office of Research and Technology Transfer Administration is a resource arm of University of Minnesota Central Administration. Part of our responsibility is to provide appropriate faculty with funding and programmatic information. In keeping with that task, we would appreciate receiving program descriptions, guidelines and application materials for proposal submission to your agency.

A self-addressed mailing label is attached for your convenience. Your immediate attention will be greatly appreciated.

Sincerely,

Winifred A. Schumi

Winifred A. Schumi
Assistant Director
Office of Research & Technology
Transfer Administration
